QUOTES

“The more comfortable you are with ambiguity, the more creative and resilient you become.” - *Nonesense*

“To know love we have to invest time and commitment. Dreaming that love will save us, solve all our problems or provide a steady state of bliss is a prescription for failure.” - *All About Love*

“The university needs what it cannot bear to know.” - *The Undercommons*

“What if instead of always keeping our options open, we pursued a path—not because it was guaranteed to succeed, but because it was ours?” - *Dedicated*
