For Immediate Release

Date: 02/02/2026

AUDITORY FX, the upstart audio brand for radio imaging effects, announces the release of their latest library, Sonic Survival Kits V2.

Nationally recognized voiceover artist and audio producer Steve Stone, the creator behind **AUDITORY FX** shares: *"AUDITORY FX is the result of being obsessed with sound. It drives us to create unique and affordable audio tools that satisfy todays radio imaging producers."*

Steve adds:
"Sonic Survival Kits V2 adds another massive library to our growing audio brand. It's everything you need to survive and thrive in your daily sonic battles."

The release of Sonic Survival Kits V2, follows the immense success of the original Sonic Survival Kits V1, which debuted in 2019.
