www.LinetteRainville.com

hello sister!

Hello there beautiful sister!
I love you already ;0)

My name is Linette Rainville,
I LOVE JESUS and love serving HIM.
I am a Ministry Development Coach,
Speaker and Founder/ Visionary/ CEO
at Daughters United, International.

Mentor.
Movement Leader.
Ministry Coach

I carry a deep passion in my soul to see my sisters
healed and set free to Discover, Develop
and Deploy God's CALLING in their lives.

As Ministry Development coach, I help equip Christian sisters
envision, establish and expand her dream, projects and missions.

30 years ago the Lord helped me to envision and build a MILLION DOLLAR MINISTRY that began with just one bag of clothes. My dream didn't happen overnight.
Those early years were filled with trial and error, hills and valleys, and more tears than I care to remember... but God! Oh how I longed for a mentor or coach who could help me get started. That is why I am so impassioned to HELP YOU birth your ministry!

xox,

So my sister, can I ask...

What are you ready to give BIRTH to?

Coach Linette

Have you ever said any of these things?

- Did God "really say" start a ministry?
- Who am I to even do this?
- What should my first step be?
- Where do I find a mentor who could guide me through this process.
- How do I approach my pastor with this?
- I don't want my dream to die with me.

If you can "relate" then this guide is going to be a life changer for you!

What will you find inside this guide?

In this guide you are going to become equipped to STOP DREAMING and START DOING as you discover these 7 Essential Keys to BUILD & LAUNCH your Mission, Project or Non-profit idea.

Before I unpack the specifics,
I want you to consider for a moment the results of doing nothing. My friend, can I say this. Your CALLING, your DREAM and your ASSIGNMENT will never STOP CALLING out to you!

How bad could it get? Well, if you ignore the birthing process of your DREAM these are the long-term results you are very likely to see:

- Analysis Paralysis: Forever dreaming, never doing!
- Gifts and Callings will stay in seed form.
- You will always wonder…"What if?"
- People God has waiting for you, you will never reach.
- That "holy ache" inside of you will never be fulfilled.
- Your dream will die with you.

"DO what you can
Right where you ARE,
with
WHAT you have
in your hand."

Linette Rainville

How it all started!

I see you sister...

I know what it feels like to carry around a 9 pound, 11 oz SPIRITUAL baby with no MIDWIFE nearby to help you BIRTH IT!

That was me when God CALLED this “little" barely 5 foot girl to step out in BIG FAITH and launch my clothing swap project 30 years ago.

God used my mustard seed dream, my one bag of “SKINNY JEANS” and our beat up old mini-van to establish and grow a MILLION DOLLAR MINISTRY that now meets the food, clothing and basic needs of 20,000+ people every year.

My BIG DREAM started one day when I was folding clothes.
As I was putting away baby clothes in the dresser we all shared,
I opened that sacred drawer... the one that held those “pre-pregnancy” skinny jeans that USED to fit me. Now they were taking up valuable real estate in our dresser drawers.

“There’s no way I’m going to get this size 10 body to fit into those size 5 jeans anytime soon!” I slammed the drawer shut.

I was upset about not having clothes I could fit into-
and my babies were quickly out growing their clothes too.
Suddenly, God gave me a wonderful, crazy, I LOVE LUCY idea!
Why not “trade” your skinny jeans to get other clothes you need?

WOW GOD!! I LOVE IT, I’m excited... I’ll do it!
Surely our local thrift store would do that...
after all, isn't it their mission to help people in need?

The day came when I finally rallied my courage, collected my clothes, gathered my children and found our way to the local thrift store.
As we entered the door, the clerk saw my bag in hand, motioned and said… "you can take your donation out back."

…Hmmm… Now what? I waited until she finished checking out her last customer. WE, my entourage of toddler girl, baby boy, and bag of clothes precariously propped on top of our stroller began to roll our way up to the counter.
Heart pounding, sweating through my worn out stretch pants, my words got stuck in my throat… GEESH… I'm not asking for a hand out!!

Finally, I took a deep breath and explained what I was hoping to do. "Mam, I'd like to exchange these nice, almost "brand new" jeans for some items my family could use."
She gave me a blank look as if to say, "You've got to be kidding" and replied…

I'm sorry that's just not our policy. you can take your donation out back!

Pride stripped and feeling defeated, I headed back to my car.
My little daughter looked up at me with those big questioning eyes…

"But Mama, I thought we were going shopping today?"
She held up her little toy purse. "Look Mama, I have some money."
She pulled out a nickel, some pennies and some play money.

Ahhh…that's all it took… the burning behind my eyes gave way to brave tears. I looked up and sent a prayer. "Lord, someday, somehow I want to help other mothers who find themselves in my same situation."

In that moment, something WONDERFUL HAPPENED, somewhere between the store door and my car door, God planted a MUSTARD SEED DREAM in my heart to start a ministry.

Little did I know that day in 1991, that God would take my tears and that 1 BAG OF "SKINNY JEANS" and turn it into to a MILLION DOLLAR OUTREACH that now meets thousands of food, clothing and infant needs every year.

How did I do it?
I stopped Dreaming and started Doing!

I decided to START.
I started with one step, then another.
I did what I could, right where I was,
with what God put in my hands.

I was faithful with little. and God made it more!

Those early years were full of trial and error.
I fell and skinned my knee's a lot.
I wanted to quit...a lot.
But the dream was too big for me to ignore and so is yours!

NOW, I am ON A MISSION to help birth Kingdom projects and ministries.
You dear sister are MY MISSION!

Have YOU felt alone. discouraged and defeated to move forward?

Have you ever said to yourself, "Is this all there really is?...
Will this dream ever happen? I'm so tired of doing the same thing, going around this same mountain! God, help me break free from these insecurities!

"I feel like I'm missing my calling"

That was me! Until the day when everything changed.

I am so excited that TODAY could be YOUR DAY!

I've prepared for you is a step by step guide and blueprint to launch your mission, project or ministry. If you implement these steps they will help you to begin seeing your DESTINY unfold!

Are you ready? Great!

Let's roll up our sleeves and take a deeper look at these
7 Essential Keys to Build and Launch your Kingdom assignment!

7 Essential Keys to Build and Launch your Mission

1. **FIND YOUR BIG WHY**

   What are you are most passionate about?

2. **DISMANTLE YOUR BOARDER BULLIES**

   What are the limiting beliefs holding you back?

3. **WRITE THE VISION**

   When your mission is accomplished, what will things look like?

4. **SAY HELLO TO YOUR WHO**

   What is the niche' or audience you are called to serve?

5. **TAKE INVENTORY**

   Have you counted the cost?

6. **DRAFT YOUR BLUEPRINT**

   Start with the end in mind, then build it backwards.

7. **LAUNCH YOUR DREAM**

   When will you DO IT? Set your timeline.

Key #1: Find Your Big Why

What if I told you that the KEY to this whole thing isn't out there somewhere, but it's actually right there inside of you?
I've discovered the #1 secret to launching my dream and today I'm sharing it with you. It's a term called "Godfidence"!

What is Godfidence? It is the belief in the gifts, abilities and strengths of GOD working through you to complete an assignment, mission or project.

I've been walking this journey of purpose, identity and mission for over 30 years. I know what it feels like to have life circumstances hold you back and make you feel as if you're not "enough" to fulfill your calling.

Here's the thing. . .

The truth is, WE are NOT enough if we are working solely in our own strength, but GOD IS strong on the inside of us!
I discovered that understanding "GODFIDENCE" and embracing my "shape" (personality, gifts, abilities, experiences) was the missing key to fulfilling my mission.

Now I am on a mission to help you fulfill YOURS!
The 3 BIG QUESTIONS I encounter most often in my coaching practice and ministry are:

WHO am I ... now?

WHAT is my purpose or calling?

HOW do I start?

Key #2: Dismantle Boarder Bullies

WHAT'S A BOARDER BULLY?
It can be people, circumstances or our own our own limiting beliefs that say things like:

- Your dream is too big
- It will never happen
- It costs too much
- You're not qualified
- You're not _____ enough
- No one will support you
- Who do you think you are?

When I first began to "step out of the boat" and into my mission an avalanche of words and thoughts of these bullies tried stop me.

I nicknamed these BULLIES...
Innsy, Iffy and Zig.
They come out of the shadows when you begin to step into your CALLING...
They try to make you feel:

- Insecure (Innsy)
- Inferior (Iffy)
- Insignificant (Zig)

I know what it's like to wrestle with the lies of these guys, but guess what?

Everything they say is the exact opposite of the Truth!

When I began to tune my ears to the Father's heart,
I could hear HIM speak these WORDS OF LIFE to me...

- You are my beloved daughter
- I have qualified you
- You are perfect for this assignment
- I have created you unique, on purpose
- People are waiting for your message, right now!
- Your mission is IMPORTANT to me
- I have raised you up, for such a time as this

If you know you've been CALLED for MORE and are done with these BULLIES pushing you around, let's disarm these guys during your very first SPARK SESSION!

Annie's Story

ANNIE is a teacher who was under paid and over worked. She felt DISCOURAGED and DEPRESSED because she kept suppressing the dream that never stopped growing on the inside of her.

When I met ANNIE on a SPARK SESSION she had just about lost all hope that her dream would ever become a reality.

ANNIE almost didn't reach out to me because she didn't think hiring a coach could fit into her budget.
She realized in short order that NOT having a coach proved more costly because she didn't have the support that was needed to move forward in her mission.

During our SPARK SESSION, it became apparent that Annie's big boarder bully was IMPOSTER SYNDROME. The lies of the enemy were brought to light and I was able to equip her with strategies to dismantle insecurities that had been holding her back for years. In our prayer time together she was able to experience a deep spiritual breakthrough during our very 1st session!

Annie has taken massive steps forward in her CALLING and has even launched her very own PODCAST CHANNEL! She has finally broken free from her BOARDER BULLIES and loves being the brave, confident and purposeful woman she always knew she could be.

For we are God's workmanship,
created in Christ Jesus to do good works,
which God prepared in advance for us to do.

Ephesians 2:10

Key #3: Write the Vision

"Go look up Habakkuk."
I heard the Lord speak this to my heart 27 years ago as I was feverishly trying to finish my housework before the kids got home from school. I kept pushing my vacuum.

God got louder. "Go look up Habakkuk."

All the while I was cleaning, the Lord had been downloading vision into my heart about what our OUTREACH MISSION might look like... Hmmm... where exactly is Habakkuk anyway?

Finally I listened, shut off my vacuum and opened my bible.
Right there in black and white I read the words the Lord had just been speaking to my heart!

*"Write down the vision.
and make it plain on tablets.
so that a herald may run with it."*
Habakkuk 2:2

DREAMS, IDEAS and BEST INTENTIONS
can appear a bit like clouds.
One minute they look like this, the other they look like that.
When we try to share our mission it can feel a bit like pointing out that shape in the sky.
A clear VISION and MISSION must be WRITTEN DOWN. This not only helps YOU to move forward, but helps others to get behind you and SUPPORT YOUR MISSION..

Jenny's Story

When I first met Jenny she was full of excitement and anticipation.
The LORD had been speaking to her and she had journals filled to prove it.
She felt like GOD was calling her to step out, launch her mission and change the world.
I met with Jenny on a SPARK SESSION where I meet 1-on-1 with MISSION BUILDERS
to help them gain clarity, identify obstacles and put an action plan together.
We started by organizing and prioritizing the many ideas she had swirling around in her head.

JENNY was so busy jumping from one thing to the next, she almost didn't make the time to schedule a call with me, but she was so glad she did! In our SPARK SESSION, we discovered that Jenny's biggest problem was that she didn't have a clear VISION or MISSION. She was thrilled to get my help to draft her 1st ministry blueprint. Now her dream is beginning to take shape. She is implementing the plan and is focusing on her top 3 goals. Today, Jenny feels more secure, empowered and on track because she has established a clear vision and next steps.

Key #4: Say Hello to your Who

When I was birthing my dream to build a
Million Dollar Outreach Center...
VISION, IDEAS and PLANS
spilled out of me like a leaky faucet.
I would share my dream with anyone who would listen...

Big Mistake #1

NOT EVERYONE will be your FAN or your AUDIENCE.

No one will "GET YOUR VISION" like you do,
because you my friend, are the **VISIONARY**
of this mission. GOD gave it to **YOU.**
He didn't give it to your friend, your husband
or even your pastor.
He gave it to **YOU to STEWARD.**

What will you do with it?

Essential Key #4 is for you to understand
and I mean **truly and deeply GET TO KNOW WHO** you
are called to reach and to learn HOW to **BEST SERVE THEM.**

WHO is your Who?

Is it young mothers of pre-schoolers?
Start a support group!

Is it addicted kids on the street?
Can you create a program?

Is it new widows who live alone?
How can you connect with people?

Is it an online teaching ministry?
What skills can you develop so you can serve them better?

My speciality is helping leaders develop their programs!

Key #5: Take Inventory

Whenever you go on vacation, plan a party or even just take trip to the grocery store you are more productive when...you WRITE A LIST.

I love this quote from Benjamin Franklin,

"If you fail to plan, you are planning to fail."

Taking inventory is like gathering tools for your project or ingredients for your recipe, things will just flow smoother when you have everything you need right in front of you.

Creating your inventory gives you insight and foresight
to what your mission will require.

Jesus spoke about this in Luke 14:28 when he said:

"For which of you, desiring to build a tower,
does not first sit down and **count the cost**,
whether he has enough to complete it?"

I like to call this counting my M & M's...
(having the chocolate version nearby just might help too ;0)

Can you think of some things your Mission will cost you in:

Minutes?

Manpower?

Materials?

Money?

Key #6: Draft Your Blueprint

OK, are you still with me?
GREAT!

Can you see where we are going with all of this?
YES, you guessed it... now we build your BLUEPRINT, your master PLAN and ROADMAP.

In order to create this mission we need to...

"Start with the end in mind"

and then build it backward.

Essential ingredients to your blueprint start with these 3 questions:

WHAT do you want it to look like?

WHERE do you want it to be?

HOW do you want to deliver it?

Wendy's Story

Wendy is an established therapist in a growing practice. In talking to Wendy, I discovered she wanted to expand her practice to the online world, but she didn't know where to start.
She was STUCK...STUCK deep in a RUT.

During our SPARK SESSION, I quickly realized that she needed to create a roadmap and an online blueprint. We wasted no time and established a course of action.

Wendy implemented the plan and now has a step by step guide to follow. She has made GIANT steps towards her God sized goals and is already expanding her digital footprint in social media and online markets.
WENDY feels energized and hopeful because she is finally taking steps to launch her new online programs.

Key #7 : Launch Your Mission

A very wise mentor once said something that totally TRANSFORMED my life.

"Set yourself a DEADLINE."

I know this seems like a very simple statement, but when we don't set a goal and a timeline we have nothing pushing us, nothing prompting us to GET'er DONE!

And that my dear friend is WHY everyone needs a coach or mentor!

It wasn't weeks, or months, it was more like years I wasted not gaining traction. I even spent way too much money on all the workshops, courses, e-learning and 1,000,000 APPS! All this STRESS.. because I did not have that person in my life who could help me navigate uncharted waters.

I needed someone I could meet with regularly who would keep me on track and help me identify next steps. I wanted to finish my book and launch my online ministry but I was missing a game plan and the support to walk it out.
Now that I have SEVERAL AMAZING COACHES, I have been able to go further, faster and have seen incredible results just by following a roadmap and having mentors in my corner to cheer me on and hold me accountable... yes... even to "deadlines".

Ponder these questions...

- How important is it TO YOU that you accomplish your mission?
- How IMPORTANT is it to you, for your dream NOT to die with you?
- How important is it to you to MAKE A DIFFERENCE in the world and the Kingdom of God?
