Who buys near me?

Useful evidence

Facility, purchased service, performance ZIP and responsible office.

Copy-ready prompt

Using Qualified Bid, research [service] in [ZIPs / radius]. Show actual facilities, purchased services, buying offices, historical contract identifiers, values and performance periods. Distinguish place of performance from a supplier address. State unavailable coverage and what needs an official source check.

What size work could I pursue?

Useful evidence

Recent funded value bands and counts, full dates, eligibility and vehicle access.

Copy-ready prompt

Using Qualified Bid, compare funded awards for [service] in [area], showing the latest two fiscal years separately from seven-year history. Give value bands, median, counts, value basis and performance dates. Separate potential options from funded value; explain zeros, reductions and excluded records. Identify contracts that use an existing vehicle and check who can compete.

What may be coming next?

Useful evidence

Current bid, official forecast and contract-end lead kept separately with dated sources.

Copy-ready prompt

Using Qualified Bid, separate current open bids from contract-end watch leads for [service] in [area]. Identify the incumbent, current versus potential end, buyer and source date where supported. For published agency forecasts, identify the official forecast source separately; state unavailable connector coverage. Keep forecast estimates separate from guaranteed work or released opportunities.
