# Three questions for an electrical service business

## Who buys near me?

Use actual service, facility and office evidence. The three verified Ohio histories illustrate different delivery routes; they are not live bids.

## What size work could I pursue?

The power-description sensitivity uses explicit keywords within 238210. It is nonexhaustive and can contain false positives. New means first recorded action in the year; eligible records have positive funding and potential above $1.

## What may be coming next?

Coast Guard forecast F2026074959 covers Fort Dix generator replacement outside Ohio/238210. Verify its vehicle, eligibility, timing and estimated value band.
